

## AZBN Competency

A NA Program graduate must pass the State Competency exam administered by Diversified Technologies; at that time, the successful candidate will be placed on the National and State CNA Registry. The CNA will then have the option to apply to the Arizona Board of Nursing for the Licensed Nursing Assistant (LNA) with submission of application with fingerprint card and application fee of \$100.00; \$50 for background check and \$50 for application fee.

If any felonies, proof of an absolute discharge of the felonies must have been received at least 3 years prior to applying for this program.
